I've attached a copy of my CV (as of July 3, 2009). My guess is that the evidence officer will be tallying up this past year's analyses and giving us the new data within the next couple of weeks, so I may have an updated copy then.

I have a drug case coming up in the end of August and you did the analysis of the narcotics. Can you email me a copy of your cv?  
Thanks, karen Bell
